No. G. 2589 dt 3/9/27
Publishes the Rules for the working of
State Leper Asylum ——

The Govt Order —— 28/9

THE LEPERS REGULATION, 1925.

REGULATION, IV OF 1925.

(RECEIVED THE ASSENT OF HIS HIGHNESS THE MAHARAJA ON THE SEVENTH DAY OF JULY 1925.)

A Regulation to provide for the Registration, Segregation and Medical treatment of certain classes of lepers and the control of lepers following certain callings.

Whereas it is expedient to provide for the registration, segregation and medical treatment of certain classes of lepers and the control of lepers following certain callings, His Highness the Maharaja is pleased to enact as follows:—

Title, extent and commencement.

1. (1) This Regulation may be called the Lepers Regulation, 1925.

(2) It extends to the whole of Mysore.

(3) It shall not come into force in any part thereof until the Government, as hereinafter provided, has declared it applicable thereto.

(4) The Government may, by notification in the Official Gazette, apply this Regulation or any part thereof to the whole or any portion of the State.

Definitions

2. In this Regulation unless there is anything repugnant in the subject or context,—

(1) "leper" means any person suffering from any variety of leprosy.

(2) "pauper leper" means a leper—

(*a*) who publicly solicits alms or exposes or exhibits any sores, wounds, bodily ailment or deformity with the object of exciting charity or of obtaining alms, or

(*b*) who is at large without any ostensible means of subsistence;

(3) "leper asylum" means a leper asylum appointed under section 3; and

(4) "Board" means a Board constituted under Section 5.

Appointment of leper asylums by Government.

3. Government may, by notification in the Official Gazette, appoint any place to be a leper asylum if it is satisfied that adequate arrangements have been made or will be made for the accommodation and medical treatment of lepers therein, and may by a like notification, specify the local areas from which lepers may be sent to such asylum.

Appointment of Inspectors of Lepers and Superintendents of Asylums.

4. Subject to any rules which may be made under section 17, the Government may appoint any medical officer of the State or other qualified medical man to be an Inspector of Lepers and any person to be a Superintendent of a Leper Asylum, with such

such enquiry as may be necessary, shall, if he finds that such a person is a leper, make a report of the same to the Magistrate having jurisdiction under the Regulation accompanied by a certificate in Form B. Such Magistrate shall issue a warrant in Form C set forth in the schedule for the arrest and production of the leper before him on a date to be specified in the warrant.

Procedure with regard to pauper lepers and lepers not properly taken care of.

8. (1) If it appears to any District Magistrate or Magistrate of the 1st class or to any other Magistrate authorised in this behalf by the Government, upon the certificate in Form B set forth in the schedule, that any person is a leper, and if it further appears to the Magistrate that the person is a pauper leper, or that he is unable to take proper care of himself and is not properly taken care of by any friend or relative, he may, after recording the evidence on the abovementioned points, and his order thereon, send the leper in charge of a Police Officer together with an order in Form D set forth in the schedule, to a leper asylum, where such leper shall be detained until discharged by order of the Board or the District Magistrate :

Provided that, if the person denies the allegation of leprosy, the Magistrate shall call and examine the Inspector of Lepers, and shall take such further evidence as may be necessary to support or to rebut the allegation that the person is a leper, and may for this purpose adjourn the enquiry from time to time, remanding the person for observation or for other reason to such place as may be convenient, or admitting him to bail :

Provided also that if any friend or relative of any person found to be a leper shall undertake in writing to the satisfaction of the Magistrate that such leper shall be properly taken care of, and shall be prevented from publicly begging in any area specified under section 3, or from spreading the infection to others, the Magistrate, instead of sending the leper to an asylum, may make the leper over to the care of such friend or relative, requiring him, if he thinks fit, to enter into a bond with one or more sureties, to which the provisions of section 514 of the Code of Criminal Procedure shall be applicable.

(2) If the Magistrate finds that such person is not a leper, he shall forthwith discharge him.

Power to prohibit lepers from following certain trades and doing certain acts.

9. (1) The Government may, by notification in the Official Gazette, order that no leper shall, within the area specified under section 3 :—

(*a*) personally prepare for sale or sell any article of food or drink or any drugs or clothing intended for human use ; or

(*b*) bathe, wash cloths or take water from any public well or tank debarred by any municipal or local bye-law from use by lepers ; or

(*c*) drive, conduct or ride in any public carriage plying for hire other than a railway carriage ; or

person specially empowered by the Government by order in writing in this behalf, and upon arrest shall be forthwith taken back to the leper asylum.

Inspection by Board.

14. Two or more members of the Board, one of whom shall be the medical officer, shall, once at least in every three months, together, inspect the leper asylum for which they are constituted, and see and examine (*a*) every leper therein admitted since the last inspection, together with the order for his admission, and (*b*) as far as circumstances will permit, every other leper therein, and shall enter in a book to be kept for the purpose any remarks which they may deem proper in regard to the management and condition of the asylum and the lepers therein.

Order of discharge by Board or District Magistrate.

15. Any two members of the Board, one of whom shall be the medical officer, or the District Magistrate, may at any time by an order in writing in Form F set forth in the schedule and signed by them, direct the discharge from the leper asylum of any leper detained therein under the provisions of this Regulation.

Appeals.

16. Any person, other than a pauper leper, in respect of whom an Inspector of Lepers has issued a certificate in Form B set forth in the schedule, declaring him to be a leper, or has refused to issue a certificate in Form A set forth in the schedule, may appeal against the issue or refusal of any such certificate to such officer as may be appointed by the Government in this behalf, and the decision of such officer shall be final.

Power of the Government to make rules.

17. The Government may, by notification in the Official Gazette, make rules generally for carrying out the purposes of this Regulation and in particular—

(*a*) for the guidance of all or any of the officers discharging any duty under this Regulation; and

(*b*) for the management of, and the maintenance of discipline in a leper asylum.

Power to local authorities to expend funds and appropriate properties to asylums

18. Notwithstanding anything in any enactment with respect to the purposes to which the funds or other property of a local authority may be applied, any local authority may—

(*a*) establish or maintain, or establish and maintain, or contribute towards the cost of the establishment or maintenance or the establishment and maintenance of, a leper asylum either within or without the local limits of such local authority;

(*b*) with the previous sanction of the Government and subject to such conditions as Government may prescribe, appropriate any immovable property vested in or under the control of, such body, as a site, for, or for use as, a leper asylum.

Protection to persons acting *bona fide* under Regulation.

19. No suit, prosecution or other legal proceeding shall lie against any officer or person in respect of anything in good faith done or intended to be done under, or in pursuance of, the provisions of this Regulation.

D.—Warrant of Detention.

(*Section* 8.)

To

The Superintendent of the Leper Asylum at

Whereas it has been made to appear to me that (*name and description*) is a pauper leper as defined in the Lepers Regulation, 1925 or a leper as defined in the Regulation who cannot take proper care of himself/herself or be properly taken care of by his/her friend or relative.

This is to authorise you the said Superintendent, to receive the said into your custody together with this order and him/her safely to keep in the said asylum until he/she shall be discharged by order of the Board or the District Magistrate.

Serial No.

(8) Most of the draft rules do not and cannot properly be termed rules framed under the Regulation. It is only rule 6 that may be issued under Section 17 of the Leper Regulation.

(9) Rule 1 relates to the appointment of the Government Leper Asylum at Bangalore as an Asylum for the purposes of Regulation to which all lepers may be sent under due authority under the provisions of the Regulation and in which they may be detained in custody. The Government have to issue a Notification in the Gazette appointing the Leper Asylum at Bangalore as the Asylum under Section 3 of the Regulation.

(10) Rule 2 has likewise to issue ~~ax first~~ as a Notification under Section 3.

(11) Rule 3 relates to the extension of the Regulation to certain areas. This has also to be done by a Notification under Section 1 Cl.4 of the Regulation.

(12) Rule 4. This is about the prohibition of lepers from following certain trades &c. A Notification has to issue in this matter in the official gazette under Section 9.

(13) Rule 5 defines as to who is to be the appellate authority in regard to certificates granted &c. Under Section 16 the Government have to appoint an officer as the appellate authority in these matters so that even in regard to this matter the proper procedure is to notify the appointment instead of issuing a rule under Section 17.

NOTE- Contn.Sheet

Serial No.

1 Rules 7 and 8 are about the inspector of Lepers and Superintendent of Leper Asylum.

2 These appointments have to be made by Government (Vide Section 4 of the Regulation.

Thus, except as regards rule 8, all the other matters referred to in the draft rules have to be dealt with by means of suitable notifications issued under the several sections of the Regulation.

Lah Secy) 14/2

Except rule 8, all other rules can not properly be called rules.

All the provisions contained therein must be promulgated as notifications issued in the official Gazette as Contemplated in the Regn.

Regarding rule 8, it may be desirable to set out in full Schedule Such Departmental rules as are specifically applicable to the Asylum.

Rule 6 - The officer to hear appeals has to be appd by Govt under Sec 16.

~~As regards appeals also to that officer~~
~~Procedure may be given~~

To

The General Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Sir,

With reference to your letter No.G.331/Med. dated the 13th July 1926, I have the honour to forward herewith for the consideration of Government Draft Rules under the Leper Regulation IV of 1925, together with explanatory Notes wherever necessary.

I have the honour to be,
Sir,
Your most obedient servant,

B Mahomed

Sanitary Commissioner, M.G.

(11

DRAFT RULES UNDER THE LEPER REGULATION IV OF 1 9 2 5.

(Rules 1.(3) and 3.)

For purposes of Rule 3 of Regulation IV of 1925 the existing Government Leper Asylum at Bangalore is hereby declared to be an Asylum appointed to receive all Lepers, sent under due authority under the provisions of the Regulations, and to safely detain them in custody until they are required to be discharged by a proper order.

2. For the present and until further orders the Municipal and the K.G.F. Sanitary Board area limits of every district Head Quarter town in the State, shall constitute the local areas from which Lepers may be sent, under the provisions of the Regulation to a Leper Asylum.

Rather in a Branch Under it.

3. On and after this date, the regulation for the registration, segregation and Medical treatment of certain classes of leprosy and the control of lepers following certain callings as defined therein shall come into force within the Municipal areas specified above.

Note. 1. It is considered sufficient to confine the application of the regulation only to District Head Quarter towns in view of the fact that practically the entire Leper population of the State is confined to the larger towns, particularly to the Bangalore and Mysore cities and perhaps to the less extent to the Kolar Gold Fields area.

Note. 2. The draft rule under section 1 (3) is for the sake of convenience incorporated in those falling under rule 3.

(Rule 9)

4. Within the area specified in the preceding rule no leper shall (a) personally prepare for sale or sell any article of food or drink or any drugs or clothing intended for human use; or

(b) Bathe, wash clothes or take water from any public well or tank debarred by the Municipal or the Local bye-law from use by the Lepers;

or

(c) Drive, conduct, or ride in any public carriage plying for hire other than a Railway carriage;

(d)

(d) Exercise any trade or calling or pursue any occupation which in the opinion of the Inspector of Lepers is likely to spread infection to others.

(Rule 16)

5. For purposes of section 16 of the Regulation, Government hereby appoint the Senior Surgeon to be the appelate Officer competent to entertain and pass orders on appeals preferred by any person other than a pauper leper in respect of whom an Inspector of Lepers has issued a certificate declaring such person to be a Leper as defined by the Regulation or has refused to issue a certificate that such person is not a leper within the meaning of the section 2 of the Regulation.

6. It shall be open to the Senior Surgeon to convene whenever he desires it necessary in any particular case a Medical Board to examine and advise him as to whether the person that has appealed is or is not a leper suffering from any variety of leprosy. The Superintendent of the Leper Asylum shall ordinarily be one of the Members of the Medical Board so convened.

Note.1. This rule appears to present some difficulty as according to sections 6, 7 and 8 the procedure is for the Leper to be committed to the District Magistrate after examination and grant of a certificate by the Inspector of Lepers. At what stage such a leper can prefer an appeal to the Senior Surgeon and how the final orders passed by the Senior Surgeon will affect the procedure as provided for in sections 6,7 and 8 are points which do not appear to be sufficiently clear.

(Rule 17)

7. The Health Officer in the case of the Cities of Bangalore and Mysore and the Kolar Gold Fields Sanitary Board area and the District Medical Officer in the case of other District Head Quarter towns shall be the Inspector of Lepers duly empowered to carry out all the duties connected with the examination declaration or registration of all lepers resident in the local area in accordance with the provisions of the Regulation.

8. The Leper Asylum shall be a medical Institution placed in charge of a Superintendent who will either be a whole time or part-time Officer as may be decided from time to time by Government. It shall be under the administrative control of the Senior Surgeon

the Senior Surgeon and all departmental rules ~~regard~~ in regard to the management or maintenance of discipline and procedure which are generally applicable to Medical Institutions shall apply also ~~th~~ the Leper Asylum.

Provided that the Superintendent shall be personally responsible to carry out all orders and execute all warrants issued ~~to~~ him under the provisions of the Regulations for the admission, safe detention or the discharge of lepers.

Senior Surgeon.

Head Nurse and Nurses.

There is no separate staff attached to Leper Asylum. They are attached to the Epidemic Diseases Hospital and incurable wards. The duties defined for the Head Nurse may also be made applicable to her so far as Leper Asylum is concerned.

1. The Head Nurse is in charge of the nursing arrangements. In this matter she is to see by constant supervision that the nurses and ward attendants (men and women) do their duty.

2. Apart from the washing, she ~~is to~~ see that the wards are kept always clean and tidy, and with this object, all nurses and ward attendants are under her immediate orders and she will bring to the notice of the Resident Sub Assistant Surgeon daily on a written report all short-comings on the part of the ward attendants.

3. In the case of nurses who are defaulters, she shall herself punish them as she may think right, in every case reporting the circumstances of the offence and punishment to the Superintendent and no award of hers shall have effect till the Superintendent has approved of it.

4. ~~The Head Nurse~~ She will issue necessary clean linen to the nurses for ward purposes, and receive the soiled linen from the wards for transmission to the Dhoby. The linen stock book is in her

charge and must be carefully kept up.

5. She will arrange a convenient hour daily for the receipt of soiled linen and the issue of clean linen, ~~and~~ the transaction ~~is~~ always to be entered in a ward book kept for the purpose, wherein the nurse will acknowledge the receipt of issue and the head nurse the receipt of soiled ward linen.

6. She will go round the wards every evening 9 o'clock or soon after and see that the lights are properly lowered and that the patients are in bed.

7. She shall visit the wards occasionally between midnight and sunrise. No taling should be permitted in the wards after the lights are lowered.

8. The nuses quarters are in her immediate charge.

9. She shall see that nurses are invariably present at the time meals are served to the patients, any shortcomings in the quality or quantity of the food served being brought to the notice of the Resident Sub Assistant Surgeon at once, who will immediately see to the rectification of the same and if he thinks it necessary, bring the matter to the notice of the Superintendent at his next visit.

10- She is responsible for good order and good conduct in the nurses' quarters, ~~and is expected to be intolerant of any think borderin, on impropriety on the part of her nurses.~~

11. She shall see that none ut friends of their own sex visit the nurses in their quarters. She shall use her discretion as to whether other visitors are to visit the nurses at all, and this shall only be permitted when they are off-duty.

34

12. She shall keep a short diary of her daily work, which she shall place on the Superintendents table every morning.

13. During emergencies she shall take up the regular duties of the nurses in addition to her own.

14. She shall take the roll-call at 7 a.m. and 7 p.m. regularly at the office.

F u r n i t u r e.

1. In each ward shall be hung up a list of the furniture in the ~~it~~ ward and its adjoining rooms and bath-rooms. ~~contain.~~ The same shall be done ~~in~~ for each special room or department throughout the hospital premises.

2. Copies of these lists should be kept in the furniture book.

3. A furniture book (is) also ~~to~~ be kept showing the distribution of such articles. Crockery and cutlery are included under this head.

4. When new articles are received or old articles disposed of the entry (must) be duly made in the furniture book.

5. As far as possible, every article of furniture should be maked with the name of the place to which it belongs.

6. A register of losses and breakages, and how have been dealt with, (must) be kept. The Resident Sub Assistant Surgeon shall enquire into all losses and breakages reported and enter his finding and decision in this register for the information of the Superintendent, to whom the book is to be submitted after each fresh entry.

---

(35)

V i s i t o r s.
